

<<<<< 2020 TRAININGS >>>>>

First Line Supervision

This 80-hour course is designed for newly promoted police supervisors. Learning topics include; conflict resolution, leadership, crime analysis, monitoring and documenting employee performance, collective bargaining, situational leadership, legal issues, and ethical leadership.

- April 20 – May 8, 2020
- September 22 – October 2, 2019

Police Executive Development Series

This two-day training is designed for police executives and those identified as having high potential for reaching executive level positions. Timeless leadership issues are linked with timely current issues such as homeland security, community relations, and police ethics and integrity.

- Fall 2020

School of Staff and Command

This 400-hour course is designed specifically for Law Enforcement Supervisors and Managers. The course is problem-based and utilizes a blend of classroom facilitated learning and cutting edge distance learning technologies.

- January 25 – June 18, 2021

Enhancing Your Crime Prevention/Security Program

This is a four-day interactive workshop for those responsible for public or private sector crime prevention, security and/or resource protection programs. The workshop examines Crime Prevention through Environmental Design (CPTED), security surveys, crime prevention techniques, intrusion detection systems, security lighting, crime analysis/trends and related topics.

- TBD, 2020

Homicide Investigation Training

The Homicide Investigation Training is a week-long training conducted by the Michigan State Police Training Academy. It is designed for sworn Law Enforcement personnel who are assigned to detective or investigative roles. The training includes classroom training and presentations, as well as a full Mock Crime Scene Day.

- June 1 - 5, 2020
- For more information please contact Tim Homberg at hombergt@msu.edu or 517-432-3197

Online Training:

Undercover Cybercrime Course

The online Undercover Cybercrime Course is an interactive 16-hour online course that will be delivered over a three-week period via MSU's online learning platform (D2L). The course is taught by two current federal agents with many years of undercover cyber investigative experience. Students will be introduced to a wide range of cyber investigative tools and techniques.

- TBD, 2020

Online Masters Programs:

We also offer three different 30-credit hour Masters degree programs completely online. MS degrees are available in the following areas:

- Criminal Justice
- Law Enforcement Intelligence and Analysis
- Judicial Administration
